

# DENIM & Diamonds

Dear

Leadership Charlotte - Class of 2024 is very excited to announce our upcoming gala event, **Denim & Diamonds**, **June 1, 2024** at **Bert's Back Porch Pavilion** - located behind The Twisted Fork! We look forward to bringing together members of the Charlotte County community for a fun and entertaining evening of philanthropy and *bling*. It is our sincere hope that you will be able to attend what is sure to be the 'It' event of the summer, and support LC24 by becoming one of our event sponsors and taking advantage of our incredible sponsorship packages.

This year's event will directly benefit the **Loveland Center** and **C.A.R.E.** From the very beginning, our class has had a heart for the youth of Charlotte County and we are very thrilled to be partnering with these two wonderful non-profit organizations.

We are offering several sponsorship packages and donation opportunities tailored to not only benefiting these two wonderful organizations, but also to assure that your contribution will be recognized long after the night of our event.

Thank you for supporting Leadership Charlotte - Class of 2024 and our community. We greatly appreciate your consideration and look forward to partnering with you!

Warm Regards,

Leadership Charlotte Class of 2024

*The Loveland Center serves children and adults with intellectual and developmental disabilities and supports these individuals with the goal of having an independent life. They have recently adopted the Hero Program, an after-school respite program for special needs, school-aged children. It is our hope to be able to provide essential items to fill their currently empty Hero Program room. We are also hoping to do a major revamp of their back yard, which is currently nothing more than gravel and broken chairs. We would like to make the backyard an area where staff and residents alike can enjoy their time outdoors with plenty of seating, adaptive play equipment, and a plethora of safe and stimulating activities.*

*C.A.R.E.'s mission is to help victims of domestic violence and sexual assault in Charlotte County and works to create safety in our community by helping survivors and promoting non-violent and healthy relationships by education. They have recently purchased a child care facility to support single parents while they get back on their feet. Our goal is to provide them with the funds to furnish their infant and toddler rooms with everything the care-givers and children will need.*
